

Chris Wickenhauser

Partner

Chris brings over 19 years of experience in audit, risk, and compliance management across both listed and private sector organisations. In 2022, he transitioned from Perth to our PwC Port Moresby office, leveraging his expertise in the resources sector. Chris is a proud member of CPA PNG and CPA Canada (Alberta).

At PwC PNG, Chris serves as both Assurance Leader and Transformation Leader. In these roles, he's spearheading the rollout of PwC's Next Generation Audit (NGA) program in Papua New Guinea. This program reimagines the audit process from start to finish, using an AI-native audit ERP system developed with Microsoft's support. This system seamlessly integrates AI throughout the planning, execution, and completion phases, setting a new technological advancement in auditing technology.
