Speaker Bio – **Trevor Manokore**

International Training Institute – AI Summit 2026 | 6 March | The Stanley Hotel, Port Moresby

Full Bio

Trevor Manokore is the Chief Operating Officer of NiuPay, where he leads operations and regional expansion as the company scales its AI and cloud platforms across the Pacific. Before joining NiuPay, Trevor spent over five years at Amazon Web Services, serving as ISV Software Team Lead for Australia and the Pacific and as a Partner Development Manager within AWS's Worldwide Public Sector group. At AWS, he worked directly with education, government, and regulatory organisations to embed cloud and AI into their operations. Trevor's earlier career spans senior leadership roles at Australia Post, Optus, and Macquarie Technology Group, where he led consulting practices, technology transformation programs, and large-scale cloud adoption initiatives. He brings more than 20 years of experience across enterprise technology, cloud infrastructure, and digital operations. At the AI Summit, Trevor will speak about scaling AI adoption in the Pacific and the operational realities of delivering digital public infrastructure in the region.
